

R From mitigating risks...
O ...to seizing sustainability opportunities
I ...and delivering positive impact.

Active Ownership

Investors addressing concerns of environmental, social and governance (ESG) issues by voting on such topics or engaging corporate managers and boards of directors on them.

ROI

Impact investing

Targeted investments, typically made in private markets, addressing social or environmental challenges (in line with the UN Sustainable Development Goals).

ROI

Negative/exclusionary screening

The exclusion of certain sectors or companies based on controversial business activities or practices.

ROI

Best-of- and Best-in-Class

Investment in sectors, companies or projects selected for positive ESG performance relative to industry peers.

ROI

ESG integration

The systematic and explicit inclusion of ESG aspects into traditional financial analysis.

ROI

Sustainability themed investing

The selection of assets specifically related to sustainability in single- or multi-themed funds.
